MOHAMED ISMAIL SHERIFF, *Gl. Secy.*

SCHEDULE.

District	Taluk	Name of the block	Approximate area in acres	Boundaries
Kadur	... Chikmagalur	... Maskali	... 5644·14 or 8·8 sqr. miles	North detailed under

N.B.—The old survey numbers are shown as numerators and re-survey numbers as denominators.

Boundaries.

North.—Starting from the junction of the eastern corner (5 chains east of the northern corner of S. No. 124—87 of Bogashi village) of S. No. 125P—173 of Bogashi village and western corner of S. No. 234—62 of Shirvasi, the line runs south-east for 52 chains in Shirvasi through S. Nos. 234—62 and 214—87 to the western corner of S. No. 213—86 running through the northern corner of S. No. 214—87 of the village; then runs south for 33 chains through S. Nos. 214—87 and 170—89 to the south-west corner of S. No. 180—100 touching the westernmost corners of S. Nos. 181—101 and 180—100 and then turning north-east the line runs along the southern boundaries of S. Nos. 180—100 and 179—99 to the south-eastern corner of the latter Survey number and in the same direction through S. No. 170—89 to the south-east corner of S. No. 178—98. Then in a southerly direction for 19 chains through S. No. 170—89 to the north-east corner of S. No. 171—90; then west, south, and east along the northern, western, and southern boundaries of S. No. 171—90 to its south-east corner; then runs north-east through S. No. 170—89 to the south-west corner of S. No. 172—91 of the village; then in an easterly and north-easterly direction along the southern and eastern boundaries of S. Nos. 172—91 and in an easterly and northerly direction along the southern and eastern boundary of S. No. 173—92 and across to the south-west corner of S. No. 165—146 of the village; then runs east along the southern boundary of the said survey number to its south-east corner; then the line runs east through S. No. 167—148 to the south-west corner of the S. No. 168—149 and on along its southern and eastern boundaries to the southern corner of S. No. 163—151; then along the southern boundary of the same survey number to its south-east corner and south and east along the western and southern boundaries of S. No. 139—155 to its south-east corner; then east through S. No. 122P—168 for 22 chains to the south-west corner of S. No. 123—169 and south-east along the southern boundary of the same survey number to its south-east corner. Thence east through S No. 122P—168 for 7 chains to the south-west corner of S. No. 124—170 and along the southern boundary of the latter survey number through its south-east corner; then runs through S. No. 122P—163 in the north-easterly direction for 48 chains to the south-west corner of S. No. 121—184; then runs south-east along the southern and north-east and slight north-west along the eastern boundaries of S. No. 121—184 to its northern corner; then runs south-west along the northern boundary of S. No. 122P—168 to the south-east corner of S. No. 120—182; then runs due north along the eastern boundary of the said survey number and meets the Jagarhalla stream; then runs north-east along the halla to the north-west corner of S. No. 99—189 and then south along its western boundary, north-east along the eastern boundaries of S. Nos. 99—189, 100—190, 101—191 and 102—192 to the halla and east along the halla to the south-west corner of S. No. 118—215; then east and north along the southern and eastern boundary of the same survey number to its north-east corner; then proceeds east along the southern boundaries of S. Nos. 82—226, 308—217 and 307—218 and crossing the Somavahini river, meets the south-west corner of S. No. 92P—221 of Shirvasi village.

East.—Then south along the right bank of Somavahini and joins the village limits of Shirvasi and Byravalli villages; then runs north-east along the village limits of the said villages and joins the trijunction bondhs of Shirvasi, Jagar and Byravalli villages; then south-east along the western limit of Jagar village and joins the trijunction bondhs of Byravalli, Jagar,

and Pandaravalli villages; then south-east along the western limit of Pandaravalli and joins the trijunction bondhs of Byravalli, Pandaravalli and Baginiheddal villages; then southward along the western limit of Baginiheddal to a point where it meets the northern boundary of S. No. 101—387 of the same village.

South.—Then the line turns west and north-west along the northern boundaries of S. Nos. 101—387, 100—388 and 104—383 of Byravalli to the point which is the north-west corner of S. No. 104—383 and also the north-east corner of S. No. 103—384 of the same village; then runs due west through S. No. 133—353 for 14 chains to the north-east corner of S. No. 434—377 and through S. No. 440—376 to the northern corner of S. No. 433—378; then north-west along the northern boundary of S. No. 439P—373 to the north-west corner of the same survey number; then through S. No. 442—357 to a point two chains north-west from the north-west corner of the S. No. 118—365 and then passing through S. No. 113—364 to the trijunction bondh of S. Nos. 113—364, 442—357, and 427—363 of Byravalli; then the line proceeds north along the eastern boundaries of S. Nos. 427—363 and 426—358 of the same village to the north-east corner of latter survey number; then through S. Nos. 442—357 to the south-east corner of S. No. 131P—355 and along the eastern boundary of the latter survey number to its north-east corner; then north-west along the northern boundaries of S. Nos. 131P—355 and 130—339 and north along the eastern boundaries of S. Nos. 378—340 and 134—342 to the north-east corner of latter survey number; then runs west along the northern boundaries of S. No. 134—342 to its north-west corner and then through S. No. 135P—343 to the eastern corner of S. No. 161—251; then along the eastern and northern boundaries of S. Nos. 161—251 and 380—250 to the latter's northern corner. Then runs due west through S. No. 135P—343 to the trijunction bondhs of S. Nos. 135—343, 461—247 and 159P—570 of the village. Then west along the northern boundary of S. No. 159P—570 to its north-west corner; then south along its western boundary to its south-west corner; then crossing the cart track, it runs along the western boundary of S. No. 468P—239 to its south-west corner; then west and south along the cart track through S. No. 141P—173 to the north-west corner of S. No. 468P—236; then due south-west it crosses the stream that comes in the way and after crossing the Chikmagalur-Narasimharajapura Road, the line passes through S. No. 141P—173 of Byravalli and joins the north-west corner of S. No. 141P—560; then passing through S. No. 18—22 of Bagamane, it joins the north-east corner of S. No. 44—21 of the same village; then runs north-west along the eastern boundary of S. No. 17—20 of the same village to the north-east corner of the said survey number. Thence, the line turns south-west running along the northern boundaries of S. Nos. 17—20 and 16P—23 of Bagamane and reaches north-western corner of the latter survey number at the village boundary. Thence the line runs south along the western boundary of S. No. 16P—3 of Bagamane and along the northern boundary of S. No. 159—1 of Shirgur for about ¾ furlong and then turns west through S No. 158—3 to the north-east corner of S. No. 157—4 of the same village and along the northern boundaries of the said survey number; then runs due south-west through S. No. 155—5 and 154—18 to the south-east corner of S. No. 184—19 and then runs north-west along its eastern boundary to its north-east corner; then along the northern boundary of the same survey number to the north-east corner of S. No. 146—21 and along its northern boundary to its north-west corner; then along the eastern and northern boundaries of S. No. 187—30 and along the western boundaries of S. No. 186—29 to the south-west corner of the latter survey number; then along the north-west and southern boundaries of S. No. 141—103 to its south-east corner; then south along western boundary of S. No. 109—104 to the south-east corner of S. No. 197—105; then along east, north, and western boundaries of the survey number to its south-west corner and then through S. No. 142—109 to the north east corner of the S. No. 126—119 and along northern boundaries of the S. No. and 123—122 to the north-western corner of the latter survey number; then runs south through S. No. 13—114 of Shirgur and through S. Nos. 40—71 and 36—62 of Maskali village for about 50 chains to the north-east corner of S. No. 34—59 and along northern, western and southern boundaries of 34—159 meets its south-eastern corner; then crosses the stream in a south-eastern direction and runs east along the stream to the north-western corner of S. No. 21—51; then south and east along its western and southern boundaries to its south-east corner; then runs south-east through S. No. 30P—55 and meets the western corner of S. No. 20—50 and continues in the same direction along the western boundary of the said survey number to its south-western corner; then runs south-west along the western boundary of S. No 22—49 to its western corner and then through S. No. 30P—55 to the north-western corner of S. No. 26—46 and along its western boundary to its south-west corner; then due west through S. No. 30P—55 of Maskali to the north-west corner of S. No. 85—114 of Karagur; then runs due south along the western boundary of S. No. 85—114 of Karagur to the south-west corner of the same S. No. and due west through S. No. 69—96 of the village to the north-east corner of S. No. 71—98; then the line runs along the northern boundary of S. No. 71—98 along the eastern and northern boundaries of S. No. 70—97 of Karagur to the north-west corner of 70—97 and on through S. No. 69—96 due to south-west to the north-east corner of S. No. 67—99; then the line runs along northern boundaries of S. No. 67—99 and 97—93 to the western corner of the latter S. No. and through S. No. 69—69 to the north-east corner of S. No. 93—95 of the same village; then along the northern and western boundaries of S. No. 93—95 and east along the southern boundaries of S. Nos. 93—95, 68—94 and 97—93 to the south-eastern corner of last corner of last named S. No. and then proceeds south-east through S. No. 65—89 and meets the north-west corner of S. No. 129—55 of Avathi village; then runs south-west along the western boundary of S. No. 129—55 and west along the northern boundaries of S. Nos. 12—11, 85—136 of Bettadamalali to the south-east corner of S. No. 9P—20 of Beeranagodu then the line runs along the eastern boundaries of S. No. 9P—16 and 11P—15 and then eastern and northern boundaries of S. Nos. 13P—14 to the north-west corner of the same S. No. and runs north-west along the northern boundary of S. No. 13P—13 and eastern boundaries of S. Nos. 9P—9, 7P—10, 6—1, 8—7, 141—6 and 5P—5 to the north-west corner of the last named S. No. of the village; then runs due west through S. No. 4—168 to the north-east corner of S. No. 111—170 and along northern boundaries of S. Nos. 111—170 and 2P—171 and then through S. No. 63—167 to the eastern corner of S. No. 74—159, then north-west along the northern boundary of S. No. 74—159 to its north-west corner; then runs due west through S No. 63—167 to the north-east corner of S. No. 72—141 touching the northern corner of S. No. 73—158 of Beerangodu.

West:—Then the line runs due north-west for 45 chains through S. No. 63—167 and meets the northern boundary of Beeranagodu about 2·45 furlongs or 24 chains north-east from the south-west corner of S. No. 1-8P—27 of Kadavanthi; then runs east along the village boundary between Beerangodu and Kadavanthi which is the part of southern and eastern boundaries of S. No. 18-P—278 to the quadra-junction bondhs of S. Nos. 188P—278, 127—203 of Kadavanthi, 4—168 of Beerangodu and 30—55 of Maskali; then runs north along the boundary between Kadavanthi and Maskali which is also the eastern boundary of S. No. 127—203 to the trijunction bondhs of 127—203 of Kadavanthi 36—62 of Maskali, 125—173 of Bogoshi villages; then east along the southern boundary of S. No. 125P—173 of Bogashi and on to the trijunction bondhs of S. Nos. 125P—173 of Bogashi, 136—112 of Shirgur, and 170—89 of Shirvasi villages; then in a northerly direction along the eastern boundary of S. No. 125P—173 of Bogashi village and meets the starting point.

NOTE.—(1) Total of 15 and 12 should be equal to 8; In this case parts of Survey Nos. 96—187 and 94—225 aggregating to an area of 323·20 guntas have been omitted as they are included in Muthodi Extension. If this area is also added to the totals of 15 and 12, then the figure exceeds total of column No. 8 by 221—33 guntas, *i.e.*, the 3rd figure shown under column 12 which area is now under coffee cultivation, and will have to be disafforested in due course.

(2) Survey Numbers 96—224, 93—223, 92p—222, 92p—221, 91—220 (kharab and parts of 96—187 and 94—225 (gomal are left out as they are included in Muthodi State Forest Extension.

(3) Survey Numbers 85, 89, 87—228 with an area of 1004—39 guntas are included in Kag manjiri State Forest as per Muthodi roads report and katheyar of taluk office.

(4) Survey Numbers 99—189, 100—190, 101—191 and 102—192 have also been excluded as survey numbers 100—190 and 101—191 are assessed occupied lands acres survey numbers 99—189 and 102—192 are very small numbers and as the line would be too zig zag if the line is fallen to include these two survey numbers.

NOTE.—(5) Total area of kharab and gomal left to the village should tally with the total existing area minus the total area taken from them. In this case the balance remaining falls short by 1,167·35 which is explained below—

Existing area	...	5,873—04
Area taken	...	1,511—37
Balance that should remain	...	4,361—07
Actual balance shown	...	3,193—12
Difference	...	1,167—35

Explanation for the difference.—

(i)	331·29	Omitted as it is included in Muthodi extension and Kagimanegiri (out of kharab and gomal) (*see* note 2).
(ii)	1,004.39	Omitted as it is included in Kagemanegiri State Forest (*see* note 3).
Total	1,389·28	
Deduct	221 93	Which is under coffee cultivation (*see* note 1),
Balance	1,167—35	

(6) Assessed occupied S. Nos. 135p—347 and 488—346 will be an enclosure, 159p—570 has been excluded as it is an A. O. 141p—288 and a portion of a cart track have been excluded as their formations are new and the S. No. 141p—288 is now A. O., in these two places, the line is deviated, as shown in the sketch.

(7) Survey No. 101—337 also is excluded as the S. No. is now A. O. S. No. 137—345 which is spoken of as an enclosure is A. W. and as there is nothing in Forest Settlement Officer's report to show that this should be left as an enclosure, the said S. No. is included in the area under proposal,
